

WILD ROUTES BY ROXANNE

Iceland

OVERVIEW

Iceland is a land of breathtaking contrasts, where fire and ice coexist in perfect harmony. This island nation is famed for its dramatic landscapes, towering volcanoes, sprawling glaciers, cascading waterfalls, and steaming geothermal pools. The rugged terrain offers endless opportunities for adventure, from hiking across lava fields and ice caves to soaking in natural hot springs beneath the midnight sun or the dancing Northern Lights. With its vibrant culture, eco-conscious lifestyle, and warm hospitality, Iceland invites travelers to experience nature in its rawest and most awe-inspiring form.

Destination: [Iceland](#)

Travel dates: TBD - TBD

Budget: \$ Depends on many factors

Flight: \$555-\$1,000+ per person
(includes 1 carry-on; checked bags at additional charge)
(some prices starting at \$470, include 1 carry-on BUT no seat selection, no ticket change)
(no cancellation or no flight change may apply; would need to verify)

Hotel: \$110-\$1,000+ per night

Car Rental: \$42-\$95 per day

Purpose Iceland is the perfect destination for a couple's or family getaway, offering a magical blend of dramatic landscapes, natural wonders, and unforgettable outdoor adventures

Best Time to Go: The best time to visit Iceland depends on the experience you're seeking. **Summer, from June to August**, offers long days, mild weather, and accessible hiking trails, making it ideal for sightseeing and outdoor adventures. **Winter, December to February**, transforms the landscape into a snowy wonderland and provides prime opportunities to see the Northern Lights or explore ice caves. The Shoulder seasons, **May and September**, offer fewer crowds and a mix of snow and greenery, perfect for a quieter, more relaxed visit. For couples or families seeking mild weather and full access to Iceland's natural sites, summer is generally the most popular and convenient time to go.

LIST OF ACTIVITIES

Where	About	Hours	Cost	Interest Yes/Maybe/No
The Blue Lagoon	The Blue Lagoon in Iceland is a stunning geothermal spa set in a volcanic lava field. Its warm, mineral-rich waters offer a relaxing and rejuvenating experience, making it the perfect spot to unwind while surrounded by Iceland's otherworldly landscape.	Mon - Sun Summer (6/1-8/20): 7:00 am-10:00pm Winter (8/21-5/31): 8:00 am-10:00pm	\$79 to \$130 per person	
Whales of Iceland	The Whales of Iceland Museum in Reykjavik offers an immersive journey into the world of whales and marine life. Featuring life-sized models of 23 whale species, interactive exhibits, and educational displays.	Mon - Sun 10:00 am - 5:00 pm	\$35 per person	
The Lava Show	The Lava Show in Reykjavik is a thrilling, interactive experience that brings Iceland's volcanic activity to life. Visitors can watch real molten lava in action while learning about the island's fiery geology, making it both an exciting and educational attraction for all ages.	Mon - Sun 10:00 am-8:00 pm (plan 45-60 min run time, reservation HIGHLY recommended)	\$52 to \$80 per person	
Snorkeling Silfra Fissure Tour	Snorkeling in Silfra Fissure lets you float between the North American and Eurasian tectonic plates in crystal-clear glacial waters, offering some of the world's clearest and most unique underwater views.	Mon - Sun 10:00 am OR 1:30 pm (tours are about 3.5-5.5 hours)	\$134 to \$142 per person	
Vatnajökull National Park	Vatnajökull National Park is a breathtaking mix of towering glaciers, volcanic peaks, and icy blue caves. Home to Europe's largest glacier, it offers dramatic landscapes, powerful waterfalls, and unforgettable guided ice adventures—perfect for experiencing Iceland's wild beauty.	Mon - Sun Park itself 24 hours Mon - Sun Visitor Centers 10:00 am-5:00 pm (depends on center)	\$8 per car w/5 seats or less	
Vatnajökull Ice Cave Tour (or visit one of the other many ice caves)	The Blue Ice Glacier Tour by Local Guide offers a thrilling half-day adventure on Vatnajökull, including a 4x4 ride, glacier hike with crampons, and exploration of vivid blue ice formations with unique views of Jökulsárlón Glacier Lagoon.	November - April Mon - Sun 8:30 am OR 1:30 pm (plan on 3.5-4 hours)	\$174 per person	
Katla Geopark	Katla, one of Iceland's most powerful volcanoes beneath Mýrdalsjökull glacier near Vík, is surrounded by blue ice caves, volcanic landscapes, and iconic black-sand beaches. The region offers a unique mix of glacial beauty and raw volcanic scenery.	Geopark Open year-round Visitor Centers Varies seasonally Katla Ice Cave Must have guide	FREE (Guided tours range from \$195 to \$250)	
Langjökull Glacier (Idea: ice tunnel and snowmobile tour from Reykjavik)	Langjökull, Iceland's second-largest glacier, offers striking blue ice, snowmobile tours, glacier hikes, and a man-made ice tunnel—an unforgettable adventure for nature lovers and thrill-seekers.	Base camp Office: 10:00 am-5:00 pm (tours are 3.5-11 hours, depending)	\$190 to \$2215 per person FOR TOURS	
Many other areas to explore	Iceland is packed with unforgettable adventures, from exploring the iconic Golden Circle—featuring geysers, waterfalls, and Þingvellir National Park—to relaxing in world-famous geothermal spas like the Blue Lagoon or Sky Lagoon. Visitors can chase waterfalls along the South Coast, walk on black-sand beaches, hike glaciers, explore ice caves, and snorkel between tectonic plates in Silfra. Wildlife lovers can spot whales off Reykjavik, while thrill-seekers can snowmobile on Langjökull or descend into lava tunnels. With dramatic landscapes,	N/A	N/A	

vibrant culture, and endless outdoor experiences,
Iceland offers something extraordinary for every traveler.
